

Privacy Policy for GreenShuttle Mobile Application

1. Personal Data

- When you use GreenShuttle APP, you trust us with your personal data. We will do our best to keep all data provided by you to keep safe and we do not share any of these information with other companies or agencies.

2. Data provided

- This includes every data provided when users create or update their GreenShuttle account. For riders this may include their login name and password, name, email address, phone number, payment information. For drivers this may include their login name and password, name, email address, phone number, Stripe account details, background check, TNDL number, profile picture, licence number, vehicle details.

3. Before and During trips

- Our system will use location data during trips to enable tracking and pricing for all bookings via mobile devices. The use of our APP navigation will be subject to Google`s API services data policy.
